

Carnival Nomination Process

The Carnival Calendar is provided to coaches in the Coaches Booklet at the start of the season.

The Netball Queensland website also has a list of carnivals that are available and may show any changes that have occurred after the time of printing the Coaches Booklet.

1. The Team Manager is to complete the nomination form for the selected carnival, in consultation with the Coach and submit the form directly to the association holding the carnival, cc'ing southernstars.netballclub@gmail.com.
2. The nomination fee is required to be paid when submitting the nomination form. If at the time payment cannot be made by the Team Manager, please email the Club and on approval of the Committee the Treasurer will arrange payment on the team's behalf. The outstanding amount is to be reimbursed within 7 days of the carnival completion by deposit into the SSNC bank account, using the team name as the reference and confirming the payment via email to the Club.

Bendigo Bank

Name: Southern Stars Netball Club BSB: 633-000 Account: 15-605-6855

3. Each team is to supply their own umpire for Club Carnivals and notify the club. If this is not possible, please notify the Club and we will endeavour to supply an umpire.
4. When collecting payment from team members, ensure the amount includes the nomination fee and umpire costs. To confirm umpire costs please contact SSNC.
5. If you have arranged your own umpire for the carnival, please ensure full cash payment is made to the umpire on the day. If SSNC has arranged the umpire, the cash amount will be collected from the Team Manager, by the nominated SSNC representative at the carnival. No EFT payments will be accepted for umpires.
6. SSNC will collate a list of teams attending carnivals and umpire requirements. SSNC will keep the Umpire Convenor up to date with lists of teams attending carnivals. Attending teams will be posted on the Coaches/Managers Facebook page as a reminder of carnival dates and to allow attending teams to coordinate the day.
7. The Club encourages all our teams to participate in carnivals and can provide 10L and 15L water containers and gazebos if required.
8. If an umpire wishes to play and umpire at the same carnival the Umpire Convenor will discuss this with the umpire (and parent/guardian if under 18) and Coach prior to the carnival.
